Pop Tab Program

A house filled with hope and built with love

Little things can mean a lot...

Since 2000, little aluminum tabs on the tops of soda cans have meant nearly \$185,000 to the Ronald McDonald House. Revenue from recycling these little bits of aluminum helps provide a home away from home for families whose seriously ill children are undergoing treatment in the Milwaukee area.

Saving pop tabs is easy and clean. They're compact, with a concentration of recyclable aluminum. Unlike empty cans, they don't need to be rinsed.

Here's how you can help:

Spread the word to your family, friends, classmates and co-workers and provide containers for them to deposit the pop tabs they save. Girl Scout troops may also register to participate in a patch program by contacting Jacquelyn at 414.475.6462 or jwahlberg@rmhcmilwaukee.org.

There are three options for recycling the pop tabs:

- Drop them off at the Ronald McDonald House, 8948 Watertown Plank Road in Wauwatosa, any day between 9 am and 9 pm.
- Drop them off at any Great Clips, our official drop-off site.
- Take the pop tabs to your local recycling center and mention that you are recycling for the Ronald McDonald House. Have the check made out to Ronald McDonald House Charities and mail it to 8948 Watertown Plank Road, Milwaukee, WI 53226.

Recommended recycling centers:

Great Lakes Aluminum Ind Inc
119 South 116th Street
Milwaukee, WI 53214

United Milwaukee Scrap LLC
3027 West Concordia Avenue
Milwaukee, WI 53216
